Validitiy of our terms and conditions
We, QUO Transport GmbH point out that we perform our service as a logistics services provider on the basis of our general terms and conditions, available at: https://www.quo.at/media/general-terms-and-conditions-as-contractor-quo.pdf.
Validity of the AÖSp
In addition, the General Austrian Forwarders Terms and Conditions (AÖSp), in the currently valid version, available on the Internet in English and German at: https://www.wko.at/branchen/transport-verkehr/spedition-logistik/allgemeine-geschaeftsbedingungen.html, apply.
Jurisdiction
All disputes between the parties are governed by Austrian law, excluding the provisions of the international private law (IPR). All disputes between the parties, including disputes on the existence of agreements between the parties, shall be decided exclusively by the court having subject-matter jurisdiction for the municipality of A-6393 St. Ulrich. The contractual languages are both German and English.
